DEAF LUTHERAN DEVOTION

Rev. Jerold D. Munz,
ILDA Pastoral Advisor

Greetings in Christ to all of you. At the June 2007 ILDA Convention, I was elected as ILDA Pastoral Advisor. At the end of July I retired from active pastoral ministry in Indiana. My wife, Joyce, and I have moved to Florida. And I have accepted a part-time position as Florida-Georgia District Missionary at Large - Deaf [MAL-D] and am assigned to serve as the deaf missionary to Rogate Deaf Lutheran Church of Clearwater and the greater Tampa-St. Petersburg area.

After this lengthy introduction, we need to explain that we do have two daughters, both married, and four grand children. Also we have two dogs. Their names are Bernie and Bianca. They are black and white and are over seven-and-a-half years old. Bernie has the unique ability to talk to me. He has several tones in his bark and whines which tell me one thing or another. Also he has coal black eyes. His eyes talk.

I recall when Bernie was a teething puppy. Yes dogs and humans grow baby teeth. Later they loose their baby teeth and grow permanent teeth. Bernie was teething. He would wake me up at 2 AM and have me a

look that only he can give. Then he opened his mouth. I read his eyes and I knew what he wanted. And I rubbed his gums.

Now as an adult dog, Bernie sits and turns his face toward mine. I look into his eyes and understand that he is hungry or that he needs to go outside to do his business.

You ask, but what does that have to do with you, me and God? Jesus probably saw the same look in Simon Peter's eyes in John 6:68. Simon Peter asked Jesus, *"To whom shall we go? You have the words of eternal life."* It is true: *"where shall we go? To whom shall we go? What shall we do?"* Peter's eyes and our eyes are empty and longing eyes. When we know our Savior, our eyes are no longer blank but are filled with light and joy. We know we have everything: *"The Lord is my shepherd. I have everything I need or want."* Psalm 23:1.

Today your eyes and my eyes, look lovingly to Jesus Christ. Our eyes twinkle with joy and we say together, *"We don't need to go anywhere because YOU are the Words of Eternal Life."*

The President's Report...

Greg Desrosiers, ILDA
2007-2009 President

As you know our life is full of mountains and valleys here, we have seen a series of terrible news on T.V. and via website, particularly the fire havocs in the area of Los Angeles and San Diego, California. It was a very heartbreaking moment to see hundreds of gorgeous houses being burnt down to the ground. How can we help? The foremost and first thing for you is to **pray God** for those who lost their homes and for the countless volunteers, some pilots from British Columbia, Canada to help extinguish fires from their planes. The second thing is to **sponsor Lutheran church** or community members to work in Southern California. The third thing is to **help the victims get back into their home** in faith. The last thing is to **make a kind donation** to the rebuilding effort which some homeowners do not have fire insurance on housing. You may connect with Lutheran Disaster Relief and let them work on the hopeless deaf Lutherans through www.thrivent.com. God will appreciate your generosity and thoughtfulness in the name of Jesus Christ.

There is great news here to share with you follows as: "Majority of Deaf unchurched" by Rev. Glenn Schaeffer in *The Canadian Lutheran* magazine on October 2007 is printed on page 21 that Rev.

John Reinke and his wife, Dacia attended an important meeting in Edmonton, Alberta with the seminary administrators to address these challenges and to discuss solutions for Deaf ministry for the Western Canada district. Presently, some Deaf Lutherans have studied the Deaf Institute of Theology (DIT) in hopes that they will be pastors and laypeople someday. For details, please browse www.lccabc.ca for that title since I enjoyed reading a short and sweet article. Again do me a favor. Just pray for our outreach efforts and ministry among the Deaf in Vancouver, Calgary and Edmonton.

Next month will be a Thanksgiving in the United States after Canada celebrated a Thanksgiving Day on October 8. However, I would like to share with you about my life experience as a Canadian in Iowa from the late 1970s to the early 1990s before my American wife, Linda and I returned to my native country in 1995. I would like to show differences and similarities between the Canadian thanksgiving and the American one to you. From my perspective, the Americans are more religious than the Canadians on the eve of

Thank You...

Dear Brothers and especially Sisters in Christ,

This past summer, the LWML voted to grant **\$50,000** for deaf ministry training at Concordia Seminary in Saint Louis. What an incredible gift. If you were raised like I was, you know that every gift is best acknowledge with a personal and sincere "thank you" whether it be in a letter, a telephone call, or simply saying those meaningful words to the giver. So, what might our response be?

First of all, I'm certain that Concordia Seminary, Pastor Reinke, and everyone involved in the Deaf Institute of Theology will do their best to be good stewards of these gifts. Perhaps, though, we might be able to take our "thank you" a step further. **The next LWML convention, to be held in Portland, Oregon on 25-28 June 2009**, would be a wonderful event to attend both to say "thank you" and to grow in our understanding of both the greater Church and our shared mission. I personally believe it would be testimony to our

thankfulness and our desire to be about missions if two things happened:

1) We have a tremendous showing (by our attendance) at this convention. With opportunities to participate in the choir and learn more about missions, everyone attending can grow in their faith. Perhaps deaf ladies could be asked to be the delegate for their zones.

2) I also believe this would be a great opportunity for the ILDA to step up and also make at least one significant mission grant for 2009 a grant for this same work, the Deaf Institute of Theology at Concordia Seminary, Saint Louis.

God bless us as we consider our response as we thank Him and our sisters in Christ of the LWML. Peace,

Pastor Bill Wrede

Host(s) wanted for 2013 ILDA Convention...

As stated in ILDA's Handbook, six (6) years is suggested for properly planning for a convention. Future host(s) are asked to submit their request on their church's letterhead. 2009 convention will be hosted by Rochester, New York, and 2011 convention will be hosted by Columbus, Ohio. Hopefully a midwest or western location would host. See www.lcmsdeaf.org/ilda/Handbook/Article20 and scroll to "Section C-Time and Place of Next Convention" for information. 80th Anniversary Celebration...

Larry Gorton, President

Pictures provided by Harriette Wyene

During a delightful weekend of September 15-16, 2007, Faith Lutheran Church of the Deaf celebrated its 80th Anniversary with invited guest, retired Rev. August Hauptman who first began his ministry to deaf people in Spokane/Montana field back in 1945 as a vicar. Later during 1948 Rev. Hauptman was ordained and commissioned as missionary to the deaf in Montana and Spokane. He lived in Great Falls, MT, traveling 3,000 miles monthly to serve ten preaching stations in Montana and twice a month to Spokane. Then in 1952, Rev. John S. Salvner, the Executive Secretary for Deaf Missions announced that the Board had decided to move Rev. Hauptman and the field headquarters to Spokane because more deaf people in the field lived in Spokane. He gladly served there till April 1959 when he accepted a call to Minnesota Deaf Mission field centered at St. Paul, MN.

Everyone was delighted Rev. Hauptman brought along his beautiful wife, Ferrol and two daughters of his large family, Ida Baker/ husband Michael and Sarah Fannucchi. Other special people that came were retired Rev. and Sigrid Ludwig, Western

Washington Lutheran Church of the Deaf, Seattle, WA and Deacon Charles/LeeAnn Kotal from Pilgrim Lutheran Church of the Deaf in Los Angeles, CA from where Rev. Hauptman retired in 1988. Also, it was delightful to have Russel/Betty Healey from St. Louis, MO who came to renew their friendship with numerous good ILDA friends in the Northwest.

Around sixty-five people came to the enjoyable Anniversary banquet dinner. Special thanks to Deacon Charles Kotal for an excellent job as Master of Ceremonies! There Rev. Hauptman joyfully told us humorous stories that happened back in the 40's. Often, he said he tried very hard after his vicar not to stay in the Montana/Spokane field and wanted to come back to his sunny hometown in Santa Rosa, CA. He gave good remarks toward Elmer Francisco, who was always eagerly waiting at the train station in Butte, MT and anxious to bring him to a deaf fellowship which grew monthly till ALL the deaf in town were gathered together to study God's Word! Rev. Hauptman had some nice regards for Arthur Anderson, Luther Sandberg and Victor Lyons for their dedicated and loving service and now at home with their Lord. They left behind their wives, Ella, Melba and Evelyn, all whom courageously in their old ages join the celebration.

The Anniversary theme was, *"Store up for yourselves treasures in heaven, for where your treasure is, there your heart will be also."* Matthew 6:20-21. Rev. Ludwig spiritually led the worship with the support of Deacon Kotal who shared the readings. Again, many of us enjoyed Rev. Hauptman's sermon and more humorous messages of how much he enjoyed having pride in himself and his large model train hobby, but reminded himself and us we must fight earthly pleasures in keeping our hearts open in God's treasure in heaven through our faith in Jesus Christ, who is now there with His abundant forgiveness and God's deep love for each of us.

At the end of service, Rev. Hauptman gave the marriage renewal vows to Clyde and Charlotte Catron, whom he married them as a young couple on September 16, 1951 in Butte, MT! Yes, exactly 56 years ago! The weekend celebration ended with a joyous lunch fellowship. The members and our friends thank God for His richest blessings on our 80 years of praise!

Thanksgiving as the Americans are showing "thanksgiving living" at home and in church. They say such phrases but the Canadians do not do them. From my past teaching experiences at the Iowa School for the Deaf, I asked the class of high school students what is the purpose of thanksgiving. With interest, the American students responded with conscience that they should be thankful to the Lord who provides everything. Historically, the students learned that the Puritans originated the first Thanksgiving with the natives in Massachusetts the 1630s. Usually, the students returned home to reunite with their family and attend the special church service for the cold Thanksgiving weekend. It is clear that the Americans live their life in a mindset that always gives thanks to God. The Canadians had a rather quiet Thanksgiving weekend with their families and relatives in breezy October. They prayed with thanks to God for the turkey dinner and a pumpkin pie. Again, I asked the Canadian high school students for having a purpose of thanksgiving and they looked forward to having a restful weekend to eat turkey again and again after a short grace. They did not know where Thanksgiving comes from historically in Canada. Even, they did not attend the church service before Thanksgiving in Canada. However, I had to explain that Thanksgiving was the first idea in America in the past traditional October in both Canada and the United States for two hundred years. However, with Congressional approval, President Franklin D. Roosevelt issued a change of Thanksgiving date from October to November in the mid-1930s in order to encourage the Americans think of God as prayer and praise for God's blessings during the Great Depression. At Thanksgiving, we express our gratitude to God for His blessings and we offer a prayer before the dinner here and there. We should educate the unchurched people that Thanksgiving has a purpose for all of us to pray and praise to God with thanks. Happy Thanksgiving to all of you, American Lutherans!

Aside of thanksgiving, we wish all of you a very Merry Christmas and a Happy New Year in recognition of our Jesus Christ's birth.

2007-2009 ILDA Mission Projects Report...

The 2007-2009 Mission Project Fund has collected the total of **\$11,780.24** as of October 25, 2007. It is a blessing! This amount has been only collected in five months. Praise the Lord! Our goal is to collect \$40,000 in time of our next convention in the summer of 2009. During the 2007 ILDA Convention, we agreed to have ILDA Mission Project Fund pay the amount of contributions toward prioritized designated projects as soon as the contributions are collected. The organizations will be able to use funds sooner rather than being waiting for two years. The following list of prioritized projects is as:

1. Christian/Bible Lessons for Deaf Children \$7,000
2. D.I.T. (training materials) \$6,000
3. Africa Leadership Training (materials) ... \$6,000
4. Rev. Leber's Deaf Camp \$3,000
5. Youth Service Project \$7,000
6. Starfish Deaf Learning Center \$5,000
7. India Leadership Training (materials) \$6,000

It will be perfect to consider a contribution especially for the celebration of our Savior's birth. Your contribution will be much appreciated and will help these projects move on so the children and adults will learn about Jesus sooner!

If you wish to give a donation in celebration of Savior's birth, please make your check or money order payable to "ILDA 2007-07 Mission Project" and mail to: John Krause, ILDA Treasurer, 9905 Madison St. NE, Blaine, Minnesota 55434-4207.

May the love of our Savior bring even greater joy to your heart and home at Christmas and in the new year!
